WORK EXPERIENCE

Gaj Infra, Navi Mumbai Digital Marketing Manager

Apr 2024 – Present

- Lead digital marketing across the company's real estate portfolio, owning lead-generation strategy, project launch campaigns and online brand presence.
- Design and execute high-ROI paid campaigns on Google Ads and Meta (Facebook & Instagram) targeting property buyers, investors and high-net-worth individuals — generating 100+ qualified enquiries per month.
- Manage the digital marketing budget across multiple active projects (approx. ₹1.5 lakh/month), reducing cost per lead by around 25% through continuous audience and creative testing.
- Implement localised, hyper-local SEO strategies to capture inbound property enquiries.
- Oversee virtual tour marketing, automated email nurture sequences and CRM integrations (Salesforce, Zoho, LeadSquared) to track buyer journeys from enquiry to site visit.
- Brief, review and approve creative from in-house designers and agency partners — landing pages, site-walkthrough videos, digital brochures and ad creatives.
- Onboard and train new joiners on ad platforms, CRM workflow and brand guidelines.

Arena Animation Social Media Executive & Academic Counsellor

Nov 2022 – Dec 2023

- Managed the institute's social media presence, planning and posting content that drove student engagement and course enquiries.
- Ran promotional campaigns for courses and seminars, feeding enquiries directly into the admissions pipeline.
- Organised college seminars end to end, including campaign creatives, posters and promotional content.
- Counselled prospective students and converted enquiries into enrolments; served as Academic Head with a focus on student placement.

Majestic Real Estate Digital Marketing Executive

Aug 2021 – Sept 2022

- Implemented digital marketing strategies to promote property listings across social media, handling inbound enquiries and passing qualified leads to sales.
- Produced and published 12–15 social posts per month, plus short-form video and advertising content.
- Designed branding materials, logos and marketing collateral using Illustrator, Photoshop, Premiere Pro, Canva and CorelDRAW.

Freelance Digital Marketing & Design

2020 – Aug 2021

- Delivered social media content, digital advertising creatives, banners and short-form video for small business clients; planned content calendars end to end.
