ABOUT ME

Digital Marketing Manager with 5+ years' experience driving lead generation for real estate and consumer brands. I run Google Ads and Meta campaigns, hyper-local SEO and CRM-tracked nurture funnels across multiple property projects. A graphic design background means ad creative is briefed, reviewed and approved in-house — keeping campaigns fast and on-brand.

WORK EXPERIENCE

Gaj Infra, Navi Mumbai

Apr 2024 – Present

Digital Marketing Manager

- Lead digital marketing across the company's real estate portfolio, owning lead-generation strategy, project launches and online brand presence.
- Design and execute high-ROI paid campaigns on Google Ads and Meta (Facebook & Instagram) targeting property buyers, investors and high-net-worth individuals.
- Manage ad budgets across multiple active projects, optimising continuously to keep cost per lead low.
- Implement localised, hyper-local SEO strategies to capture inbound property enquiries.
- Oversee virtual tour marketing, email nurture sequences and CRM integrations (Salesforce, Zoho, LeadSquared) to track buyer journeys.
- Brief, review and approve creative from in-house designers and agency partners — landing pages, videos, brochures and ad creatives.
- Onboard and train new joiners on ad platforms, CRM workflow and brand guidelines.

Arena Animation

Nov 2022 – Dec 2023

Social Media Executive & Academic Counsellor

- Managed the institute's social media presence, planning and posting content that drove student engagement and course enquiries.
- Ran promotional campaigns and organised college seminars end to end — including creatives, posters and content — feeding enquiries into the admissions pipeline.
- Counselled prospective students and converted enquiries into enrolments; served as Academic Head with a focus on student placement.

Majestic Real Estate

Aug 2021 – Sept 2022

Digital Marketing Executive

- Implemented digital marketing strategies to promote property listings across social media, handling enquiries and passing qualified leads to sales.
- Produced social posts, short-form video and advertising content on a regular calendar.
- Designed branding, logos and marketing collateral using Illustrator, Photoshop, Premiere Pro, Canva and CorelDRAW.

Freelance

Digital Marketing & Design

- Delivered social media content, digital advertising creatives, banners and short-form video for small business clients; planned content calendars end to end.
